CounterMax MXInterLink4 72" Power Cord

The crisp, bright light of the slim profile CounterMax MX-L-LP Series LED Under Cabinet light illuminates without shadows. With its extruded aluminum casing, strength, durability and beautiful finish are features that put this series in a class of its own. The frost lens conceals the LEDs while evenly distributes the light onto the counter surface. Easy installation with captured screws and MXInterLink4 technology, make this series convenient as well as beautiful.
