

BF-Series

 Thermal Printer & Direct PC Connectivity*

No more taking notes!

Simply write on the copyboard and, with the push of a button, print out the information or download it to a personal computer.

Ease-of-use combined with advanced features.

The all-in-one copyboard solution!

The BF-041 copyboard is designed with a built-in thermal printer and a USB interface for connecting directly to your computer.

Write notes and draw diagrams.

then...

Print out copies.
Distribute.
Share. Save.

or...

Store to your PC.
Add to documents.
Edit with software.
Attach to e-mail.

PC interface

store a digital soft-copy

- Easily distribute exact copies of your work via email to attendees and people not present at the presentation.
- Add your work to office documents.
- Further edit and enhance your work using image editing programs.

2 ways of saving & sharing

Built in thermal Printer

print a paper hard-copy

- Present your audience with an exact copy of what has been written on the board.
- Listeners commit their attention to the presentation; not to taking notes.
- Save time and maintain consistency.

PLUS BF-Series

Thermal Printer Copyboards with Direct PC Connectivity*

BF-041 S/W *The New Standard All-In-One Copyboard*

A built-in black-and-white thermal printer makes it easy to save copies of your notes. Transfer your writing and drawings to your computer to store, edit and distribute them using the board's PC connection via USB. The BF-041 copyboard is an economical all-in-one copyboard solution for business and education. The BF-041 is available in both Standard and Wide sizes, and comes with a wall mount kit; a floor stand is optional.

BF-035 *A Multipurpose Copyboard With Four Writing Panels & A Projection Panel*

The BF-035 is equipped with a black-and white thermal printer for quick and easy copies of your writing. The optional PC Interface Kit gives you the ability to import your work to a computer where you can digitally store, edit, and distribute it. A total of five surfaces - four for writing and one to project upon - ensures that you will never run out of writing space and gives you a convenient presentation screen whenever you need one. The BF-035 comes floor-standing; a wall mount kit is optional.
