SAVE THIS PART OF THE LIMITED WARRANTY

Please return the top portion of this warranty card to Koolatron, while retaining this portion for your records.

1. Koolatron warrants this product to be free of manufacturing defects. Should any such defect develop or become evident within ONE year from the date of purchase, Koolatron will replace the entire product or, at its option, repair or replace the defective part(s) without charge.
2. If your Yogurt Maker is not working properly, call our customer service department at 800-265-8456 for help. If your product needs to be replaced, they will provide you with an RA# (Return Authorization Number).
3. To return: Securely pack the entire unit. Be sure carton clearly identifies sender by name, address and the RA#. Attach a letter or card, describing defect, and original sales receipt. Mail prepaid to the address shown below.

CN Customers - Koolatron, 27 Catharine Avenue • Brantford, Ontario N3T 1X5

US Customers - Koolatron, 4330 Commerce Drive • Batavia, NY 14021

If you have any questions, or would like to learn more about Koolatron, please contact 800-265-8456.

This warranty is void if damage or malfunction is due to abuse or failure to operate product in accordance with instructions and on recommended electrical current.

air GOLD™

IONIC AIR CLEANER/DEODORIZER WITH LIGHT

DIRECTIONS FOR USE

Distributed by:

XJ202

SPECIAL FEATURES:

- Bedrooms, storage rooms, kitchens, dens, and corridors normally have confined space with stagnant air circulation. This condition can promote reproduction and growth of bacteria which produce offensive odors. Our new, direct plug-in Air Cleaner can help solve your problem.
- Lentek™ Air Gold™ uses advanced ionic technology circulating negative ions and ozone (O₃). The metal dust collector produces static electricity to absorb microscopic contaminants and allergens in the air such as dust, pollen, fungal spores, etc. No replacement filter needed.
- Whisper silent - does not contain a motor.
- Innovative, compactly designed air cleaner incorporates cordless electric plug to enable a close fit to wall without occupying unnecessary space.

HOW TO USE:

- Simply plug in the air cleaner directly into the wall.
- Lentek™ Air Gold™ will begin to work immediately.

SPECIFICATIONS:

Model	Rated voltage	Power consumption	Ion output	Active oxygen output	Dimension	weight
XJ202	AC 230/50Hz	2.5W	≥1x10 ⁷ /cm ³	≤0.04 ppm	175x78x68 (mm)	200g

⚠ CAUTION:

- Do not use wet hand to plug or unplug the cleaner from power socket to avoid electric shock.
- Do not wet or soak the cleaner. Do not insert metallic items into the cleaner. Do not dismantle - doing so could cause electric short and damage to internal parts.
- Static electric noise caused by moisture content in the air during operation of the cleaner is harmless.
- Unplug from electric socket when you clean your air cleaner. Pull out the dust collector from the top (see picture) and wipe with a soft clean cloth; a mild detergent may be used to clean the exterior.

APPLICABLE AREA:

- This cleaner is suitable for use in large areas, bedrooms, offices, or meeting rooms.
