LIMITED LIFETIME WARRANTY

Global warrants its products to be free from defects in material and workmanship for as long as the original end-user purchaser owns the product or 25 years in the case of a corporate purchaser. This warranty is made by Global only to original end-user customers acquiring the product directly from Global's authorized dealers. The end-user customer's remedy pursuant to this warranty is limited to repair or replacement at Global's option. Consent from Global must be obtained before any warranty work is performed. This warranty shall not apply to any products which must be replaced because of normal wear and tear, negligence, abuse or "accident", shipping damage, or product use and installation other than in accordance with written instructions or warnings. It will also not apply when product has been modified or altered, repaired or refurbished by someone other than Global or because of natural variations over which Global has no control.

When repairing or replacing a defective product, Global does not guarantee matching color, grain, texture or dye lots. This warranty does not cover the cost of transportation or labor. Global makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth here. In no event shall Global be liable in either tort or contract for any loss or direct, special, incidental, consequential or exemplary damages.

This Limited Lifetime Warranty is NOT applicable to end-user customers who use Global products for rental purposes and is effective only for products, parts or components purchased after July 1, 2000. The Limited Lifetime Warranty applies only to end-user customers in the United States, Mexico and Puerto Rico.
