BLUE FORTRESS CRYSTAL

Description:

Bruck's Blue Fortress Crystal accessory for LEDRA® 12 is made by STRASS® Swarovski®. It has a natural appearance made with 3 non-symmetrical Strass crystals fused together with a blue accent. Offered in a 2.5" x 0.8" x 0.6" size. When attached to the LEDRA 12 trim with a clip spring (included), this fine Swarovski crystal makes a spectacular white and blue light pattern up to 4 inches onto the ceiling surrounding the fixture adding a grand dimension of design with an energy efficient 3watt LED luminaire.
