

Description:

Bolero glass is a free-blown glass that receives its shape directly out of the furnace. This Artisan process, executed by only Master Glass Blowers, guarantees each piece is one of a kind. The Bolero Down MP pendant includes a 4" kiss mono-point canopy with 75 Watt transformer. Standard cable length of 59" can be field-cut or specified when ordering. May be specified with 2" kiss mono-point canopy by adding /MP2 to the part number.
