SILENA SPOT

**Description:**

The Silena Spot is a clean and simple cost effective fixture that does not compromise the quality associated with Bruck products. Fixture head tilts 135°. The Silena Spot is equipped with a safety feature where by the lamp is retained by a stainless steel spring hidden by the mount allowing re-lamping without the use of tools. Uni-plug design allows fixture to be mounted on any lighting system or ceiling canopy through the use of an appropriate adaptor, not included.

**Part Numbers:**
