

55 - 5557

## PRO XP557

- Longer rails (98" long) accommodate taller users
- Four commercial steel springs provide resistance
- Commercial grade wheels for smoothest carriage glide
- Adjustable headrest and oversized high density foam shoulder pads offer additional support and comfort
- Reformer is elevated 15 inches to allow for more advanced exercises
- Aluminum rails and oak-finished wood construction
- Adjustable ropes, straps, and hand grips to fit any user
- Footbar adjusts to three positions

Assembled dimensions: 15" tall x 98" long x 23.25" wide
