Majestic Pet free standing pet gates are ideal for keeping your animals confined, while still keeping your home elegant. Built with solid-wood and double hinged construction, these gates are both durable and versatile. Gates are ready to use right out of the box, no assembly required. And, most important, no mounting to your walls means no unsightly holes or smudges when gates are stored.

FEATURES:

- Gate is designed for use with pets **10lbs – 50lbs**.
- Fits all hallway and door openings.
- Folds into 1 panel for easy storage and transport [26" x 36"].
- 36" height allows for containment of most pets.
- Overall length of 78" will enclose most openings.
- Double jointed hinges allow gate to be used in **Z**-shape or **C**-shaped configurations.
