Elements 2-Light Flush Mount

The Elements Collection offers the freedom of choice in lighting design. Start with the style selection—pendant, mini pendant, or wall sconce—then choose the right shape, square or circular, for the space. Wrap the lamp in one of four fabrics that will make just the right statement: Grass Cloth, White Weave, White Pleat, or Crimson. Finally, choose the perfect light source for the task. Whether fluorescent, xenon, or incandescent, this collection brings together all the right elements.
