E22342-10PC
Mesh 2-Light Vanity

The Mesh Collection starts with an industrial look, then takes it to another level with unmistakable touches of class and sophistication. Stout cylinders of clean, white glass and a textural layer of silver mesh mount onto a slice of reflective mirror to double their presence. Sleek disks of gleaming chrome form the cap and base for each cylinder, which house a crystal clear, 40 watt, G9 xenon bulb for the ultimate in aesthetics and function.
