E23119-18

Larmes 9-Light Pendant

A simple idea gracefully executed. Row upon row of clear oversized teardrops, mounted onto an extended chrome lamp holder that supports Xenon lamps sets the stage. Individually adjustable drops for custom stagger effects allow for dramatic impact. An added benefit of each drop being aircraft cable-suspended is the ability to adjust the overall height of the piece to fit the space. The overall result is stark and stunning.
