E20960-10
Sax 1-Light LED Table Lamp

Like the sensuous notes of a symphonic melody, Sax floats and curves through space with grace and finesse. A singular sliver of glossy white or black rises from a discreet base and sweeps up in an elegant arc where it conceals a thin LED. The sleek design and lack of obvious hardware make this unique desk lamp music for the eyes.

Finish
Matte White

Glass/Shade
Clear/White
