## K2 Strength Training System

Press Arm easily adjusts to any desired starting point. Folds out of the way for dumbbell training.

Two 200-pound weight stacks, shrouds and mounted exercise charts included!

Patent pending Adjustable Cable Arms provide for a complete array of dumbbell exercises, sports specific exercises, and rehab exercises.

Easy-to-adjust bench provides all angles from decline, to flat, to incline, to vertical. Bench is removable for performing squats.

Self-aligning Leg Extension / Curl automatically adjust to fit all leg sizes.

Optional Leg Press Attachment

Space required 11' x 10' or 14' x 10' with Optional Leg Press. Height 83"

### The most versatile Home Gym ever produced?

We think so.

From traditional strength training to functional core training, to sports specific and rehabilitation exercises - the K2 does it all! The Space efficient "corner" design and two weight stacks allow for multiple users, or quicker transitions for the single user.

#### LIFETIME WARRANTY\*

Since it is built to last a lifetime, every part of the BodyCraft Mpress is guaranteed for as long as you own it. We will replace or repair any defect. Warranty applies only to the original owner and for in-home use.

\* Warranty is two years on all parts in a commercial setting.
