## Item # PW7650 OHP, Pressure Wash Hose Reel

### Spring Driven

**Series PW - 1/4", 3/8", 1/2" I.D.**

Compact design and quality steel construction are incorporated into Reelcraft's newest line of pressure wash reels, rated up to 5000 PSI. Series PW reels are able to carry up to 100 feet of tangle-free hose and are complete with a high pressure water swivel for maximum product delivery. The high pressure water swivel is designed to handle a broad range of pressures, temperatures and chemicals; perfect for agricultural/marine, equipment cleaning and pressure washing applications.
