

White Half Lace

ARNOLD KROG WAS THE VISIONARY ARTISTIC DIRECTOR OF THE ROYAL COPENHAGEN PORCELAIN MANUFACTORY BETWEEN 1885 AND 1916. NOT ONLY DID HE REDESIGN MANY TABLEWARE LINES, HE ALSO BROUGHT SOME EXCITING NEW ADDITIONS TO OUR PRODUCT RANGE DURING THIS TIME PERIOD, INCLUDING THE WHITE HALF LACE SERVICE. THE HALF LACE DESIGN WAS ORIGINALLY CREATED FOR THE BLUE FLUTED HALF LACE SERVICE. THE FLUTED DESIGN IS EMBELLISHED BY AN ELEGANT LACE BORDER, CREATING A BEAUTIFUL YET UNDERSTATED COLLECTION.
