

EV-DECO20

DECO Downlight

Technical Data Sheet

Domus
EVERGREEN

DESCRIPTION

Domus Lighting is pleased to announce the arrival of its NEW DECO20 range of LED downlights. The DECO20 is the latest addition to the DECO range and has been designed as a contemporary cost effective solution to power hungry fluorescent downlights.

Suitable for areas such as office spaces, waiting rooms, retail shops and more. Utilising world leading SAMSUNG LED technology and a mains dimmable LED driver gives this downlight unsurpassed performance not seen by others. Ultra slim housing also makes this down light suitable for installations where ceiling space is minimal.

SPECIFICATION FEATURES

Power: 20W
Beam Angle: 120°
Colour Range: WW / NW / W
CCT: 3000K / 4000K / 5000K
Lumens Output: 1500lm / 1600lm
