DECO Downlight

Technical Data Sheet

Domus
EVERGREEN

DESCRIPTION

Domus Lighting is pleased to announce the arrival of its NEW DECO28 range of LED down lights. The DECO28 is the latest addition to the DECO range and has been designed as a contemporary cost effective solution to power hungry fluorescent downlights.

Suitable for areas such as office spaces, waiting rooms, retail shops and more. Utilising world leading SAMSUNG LED technology and a mains dimmable LED driver gives this downlight unsurpassed performance not seen by others. Ultra slim housing also makes this downlight suitable for installations where ceiling space is minimal.
