

FREDRICK RAMOND

FR36504ANG/ANS/ANB

ASSEMBLY INSTRUCTIONS

Assembly of this fixture will be accomplished by first assembling the main body, installing the mounting hardware to the junction box, making all necessary electrical connections and then hanging the fixture.

SAFETY WARNING: Read wiring and grounding instructions [FRIS 18] and any additional directions. Turn power supply off during installation. If new wiring is required, consult a qualified electrician or local authorities for code requirements.

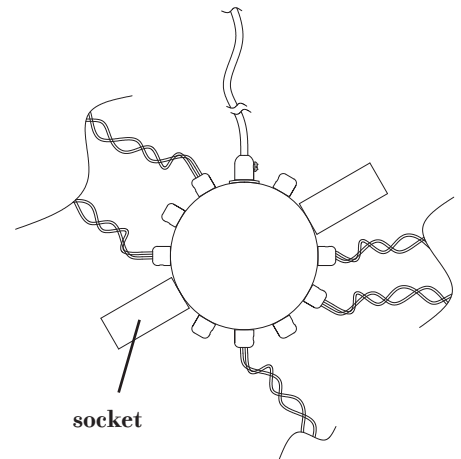

STEP 1

- 1 Refer to Hanging Instruction Sheet [FRIS19-92] to hang fixture.

STEP 2

- 1 Prior to installing the lamps the wires on this fixture can be teased to increase diameter or create a desired shape. This is accomplished by either gently pulling or pushing on the wire bundle.
- 2 Caution must be used when installing the lamps. Please make sure no wires are applying pressure on glass of the lamps. A G16-1/2 lamps are recommended, but any candle base lamp will work.
