Features

Replicating three exotic woods, Caribbean Vue has incredible clarity. Each color is etched by delicate, dark grain running in rhythmic patterns. The grain is realistically clear and rich in detail. It's a luxurious, sun-drenched floor made even brighter by Shaw's Luminiere™ finish.

This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This product is made with OptiCore™ - Shaw's laminate coreboard that's strong, stable and moisture resistant.

The high-gloss, forgiving laminate finish that's scratch-resistant and dramatically increases detail, realism, and beauty! Putting a highly scratch-resistant finish on top-tier laminate creates a product with enhanced durability.

This Shaw laminate is constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw laminate flooring product meets GREENGUARD® indoor air quality requirements and is GREENGUARD Children & Schools Certified.

This Shaw product can be installed above, on or below ground level.

This Shaw product is made in the USA.
