Peruvian Vue

Features

Presenting the richly hued look of exotic rosewood, Peruvian Vue is dramatic and dark-veined. Its undulating deep-brown-to-red color appears striated, like lustrous moire fabric. Shaw's glossy Luminiere finish highlights the pronounced grain for a glowing effect. A beautiful and sophisticated style.

Luminiere™...it's crystal clear.

Exotic rosewood is on the endangered species list, so getting the look without tropical deforestation makes Peruvian Vue a wonderful choice.

- 5 7/16"-wide planks
- **25-Year Limited Wear Warranty**
- **5-Year Limited Light Commercial Warranty**

This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This product is made with OptiCore™ - Shaw's laminate coreboard that's strong, stable and moisture resistant.

The high-gloss, forgiving laminate finish that's scratch-resistant and dramatically increases detail, realism, and beauty! Putting a highly scratch-resistant finish on top-tier laminate creates a product with enhanced durability.

This Shaw laminate is constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw laminate flooring product meets GREENGUARD® indoor air quality requirements and is GREENGUARD Children & Schools Certified.

This Shaw product can be installed above, on or below ground level.

This Shaw product is made in the USA.
