Chateau Walnut

Features

Our first new launch of hand-scraped laminates is the Provencal Collection, offering hand-scraped texture in maple and walnut styles.

Chateau Walnut – a gorgeous scarred walnut look with subtle, time-worn French-bleed edges that are shadowy and gently modulated is a part of the new *Provencal Collection*. *Hand-scraped laminate flooring that reflects nature while expressing your nature. Your taste. Your love of beauty. Your unique style.*

Inspired by hardwood. These laminate floors mirror the luxurious look of hand-hewn hardwood, with a hand-scraped texture that's subtle, refined, artfully designed. And surprisingly close to nature.

Tantalizing texture. Light overall scraping is directional and pleasingly soft. A different, natural, upscale look.
