Plaza Collection

Features

Plaza with OptiGuard finish.

OptiGuard is an exceptionally high-gloss, forgiving laminate finish that dramatically increases detail, realism, and beauty!

Plaza

- **An Anderson visual:** Very realistic look, with exotic graining and colorations. The extreme gloss highlights and magnifies the graining, allowing it to show through.
- **Realistic look:** The clarity of the OptiGuard finish makes possible the most dynamic design, color, and realism—so Plaza is brimming with rich detail and unique colors.
- **Realistic feel:** 12mm thickness creates a floor that “walks” more like hardwood.
- **5-Year Limited Light Commercial Warranty**

Colors

254 Paradise Birch

257 Rivera Kupay

276 Havana Hickory

508 Bayside Hickory

642 Veracruz Kupay

785 Antigua Kupay

This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 30 years.

This product is made with OptiCore™ - Shaw's laminate coreboard that's strong, stable and moisture resistant.

The high-gloss, forgiving laminate finish that's scratch-resistant and dramatically increases detail, realism, and beauty! Putting a highly scratch-resistant finish on top-tier laminate creates a product with enhanced durability.

These Shaw laminates are constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw laminate flooring product meets GREENGUARD® indoor air quality requirements and is GREENGUARD Children & Schools Certified.

This Shaw product can be installed above, on or below ground level.

This Shaw product is made in the USA.
