## Landscapes Landscapes Plus

### Features

#### Landscapes

##### Pathway Maple and Catella Maple

These two smooth-surface styles offer popular 8"-wide planks in the lustrous look of maple. Soft, subtle graining, characteristic wormholes, and color variations give an aged, gracefully worn finish.

##### Nightsong Hickory and Landmark Hickory

Trendy 8" planks are a sought-after visual, giving these laminate styles added appeal. Both share the look of reclaimed hickory, with marks of age and wear and antique shading on the edges.

##### Seneca Maple and Holbrook Maple

These two styles come in 8" planks that suggest the appearance of two strips within each plank. There's high variation among the planks and a painterly, watercolor effect that creates a sophisticated visual.
