length		47 ⁹ / ₁₆ "
width		15 ⁷ / ₈ "
sq. ft. per carton		26.18

Key Selling Features

This product is made with Shaw's EnviroCore™, a high-density fiber core derived from recycled wood fiber, which means fewer trees are used with less waste.

This Shaw laminate is constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw product is made in the USA.

This Shaw product can be installed above, on or below ground level.

25-Year limited residential wear, stain, fade and moisture resistance warranty. This Shaw laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This Shaw laminate features TouchableTexture Shaw's patented registered and embossing technology that replicates the look and feel of natural wood grains and natural stone tile designs.

Underlayment Options

Shaw offers a complete series of quality underlayment options that will accommodate any installation requirement. All options are for use over concrete or wood substrates on all grades of approved subflooring. All options provide a moisture barrier to protect your floor.

Shaw Silentstep™ Ultra 3 in 1 Underlayment | SLSSU

- Superior performance acoustical flooring underlayment with unsurpassed sound absorption properties.
- Seam overlap protection with peel and stick adhesive strip eliminating the need to tape seams when installing over concrete

SofSound 3 in 1 Sound Absorbing Underlayment | SLSOF

- Ultra dense needle punch construction provides optimum thickness for comfort, stability and installation system support
- Superior sound absorption

Shaw 2 in 1 Foam Underlayment | SL2NI

- Closed cell foam construction
- "Just right" thickness for comfort and stability
- Aids in sound absorption
