

873-24

Featuring 24" steel wheels, the 873-24 is guaranteed to keep you running flat-free at all times. This cart carries a large oxygen and medium acetylene cylinder with ease, thanks to the generous break point provided by its wheels.

Key Features:

-24" steel wheels will keep you flat-free while providing virtually indestructible service.

-Powder coat paint job for a durable finish.

-Large toolbox for easy access to equipment.
