Paper table

Paper, cardboard and papier-mâché are familiar to all of us. They bring back memories of kindergarten and our first experiences of making things. Inspired by classic icons but manufactured like modern day furniture, this cardboard flat pack furniture collection is an ode to classical style and to the material.

Main dimensions

Technical

The Paper table is a dream to assemble. With no fixtures or fittings the table simply slots together just like toy furniture. The table can be erected very quickly, is not too heavy but still may require two persons to maneuver.

Cleaning Instructions

To clean the Paper furniture Moooi recommends using a non-abrasive damp cloth and a gentle multi-surface cleaner. It is always recommended to clean with a dry duster initially to remove troublesome dust particles.
