The Synergy features realistic patented LED flame that dances on the crushed and silvered glass pieces, adding comfort, ambiance and beauty to any space. The heat that warms your room comes from the front of the fireplace allowing our sleek and elegant design to be installed **snug to the wall**.

The Cohesion wall-mount surround makes a seamless addition to any modern space with simple detailing. The striking black or burnished walnut finish makes a contemporary statement, while its size allows for impact.

120 Volts / 1,230 Watts / 4,198 BTU

BLF50

Features

- Flame**
A blend of technology, artistry and craftsmanship – the patented Dimplex LED flame technology creates the illusion of a true fire.
- Media Bed**
Tumbled glass ember bed pieces that are colored and silvered on one side for an alluring effect.
- Supplemental Heat**
Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!
- Remote**
Includes a convenient remote control for ease of use at your fingertips.
- Year-round Enjoyment**
Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- Safe**
Front glass stays cool, making it safe to touch.
- Economical**
Economical to operate. Costing only pennies per hour.*
- Green**
The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.
- Instant Ambiance**
Plugs into any standard household outlet.
- Direct Wire Capabilities**
Can be direct-wired for a seamless look.
- Quick Assembly**
Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.
