Features

Flame

A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.

Thermostat

Includes a thermostat controlled fan-forced heater to ensure consistent comfort.

Supplemental Heat

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable.

Year-round Enjoyment

Enjoy the ambiance of the flame with or without heat for year-round enjoyment.

Economical

Economical to operate. Costing only pennies per hour.*

Green

The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.

Safe

Front glass stays cool, making it safe to touch.

Instant Ambiance

Plugs into any standard household outlet.

Remote

Includes a convenient remote control for ease of use at your fingertips.

Specialty Features

Ember Bed Options

Choose from logs molded from actual wood for incredible realism or a tumbled glass ember bed for a contemporary alluring effect.

Corner Convertible

Mantel converts from corner to flat-wall in seconds.

LED Top Light

Under-cabinet touch lighting to display knick knacks, pottery or books.

Frames

Customizable frames for displaying photos, collectable art or left alone for a traditional mantel appearance.

*Based on national average residential electricity rate. Rates vary

Transitional Mantels

Nothing says home quite like a warm hearth.

While looking every bit as good as masonry fireplaces, Dimplex electric fireplaces provide unmatched flexibility and ease of installation as venting or gas lines are not required. Simply plug it in, sit back and enjoy your fireplace.

- A smart, practical and efficient zone heating solution, designed to warm up to 400 square feet.
- With over 30 styles and finishes to choose from, Dimplex offers a range of models to suit any décor.
- Built with exceptional attention to detail to ensure reliability and durability.
