Features

Flame

A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.

Thermostat

Includes a thermostat controlled fan-forced heater to ensure consistent comfort.

Year-round Enjoyment

Enjoy the ambiance of the flame with or without heat for year-round enjoyment.

Supplemental Heat

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable.

Economical

Economical to operate. Costing only pennies per hour.*

Green

The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.

Safe

Front glass stays cool, making it safe to touch.

Cord Management

Includes an integrated cord management system that allows you to organize and conceal all the electrical cords for a clean, cable-free look.

Instant Ambiance

Plugs into any standard household outlet.

Storage

Includes ample storage space for electronics and media components.

Remote

Includes a convenient remote control for ease of use at your fingertips.

Specialty Features

Ember Bed Options

Choose from logs molded from actual wood for incredible realism or a tumbled glass ember bed for a contemporary alluring effect.

Silent Closing Hardware

Slow closing doors or drawers without a sound.

Hidden Casters

Easily move mantel without scratching the floor.

IR Repeater

Allows infrared remote to control electronics behind closed wooden doors.

Corner Convertible

Mantel converts from corner to flat-wall in seconds.

Room Divider

2-sided media console can be positioned with the firebox on the right or the firebox on the left side of the unit for maximum flexibility.
