

Winston Fireplace Package

Simple elegance defines this traditional electric fireplace. The clean white finish is enhanced by fluted pilasters and intricately carved detailing. The simple, straight edged paneling is the perfect showcase for the 26" firebox with patented LED flame and glowing logs. Add instant ambiance and flair with this enriching focal point that works well in contemporary and traditional spaces.

120 Volts / 1,500 Watts / 5,120 BTU

DFP26-1109W

Features

Flame

A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.

Inner Glow Logs

Pulsating embers glow from within the realistic, hand crafted logs.

Supplemental Heat

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!

Thermostat

Includes a thermostat controlled fan-forced heater to ensure consistent comfort.

Multi-function Remote

Includes a convenient remote control for flame speed and light controls right at your fingertips.

Year-round Enjoyment

Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.

Economical*

Economical to operate. Costing only pennies per hour.

Green

The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.

Safe

Front glass stays cool, making it safe to touch.

Instant Ambiance

Plugs into any standard household outlet.

Quick Assembly

Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.
