

## Hadley Media Console

Also available in logs:  
GDS25-1307WN

Also available as a room divider with two fireboxes:  
GDD25-1307WN (logs)  
GDD25G-1307WN (glass)

This contemporary media console boasts the perfect balance of wood, glass and metal. With the ability to position a firebox on each side of the console, it is completely reversible. For the daring consumer this media console can house 2 fireboxes and be used as a room divider. The beautiful walnut surfaces are framed by our graphite finished metal providing form, function and simplicity in its design.

Choose between the elegant tumbled glass ember bed (as shown) or traditional patented LED log set.

120 Volts / 880 Watts / 3,000 BTU
