MADE IN THE USA

Why buy made in the USA?

When you buy a product manufactured in the USA...

- you help to create jobs
- you get products that meet our American Standard
- your money strengthens our economy
- you secure our children's future
- you are provided with accountability!

Why buy Berg?

Berg Furniture was established in 1984.

We are a family owned factory located in NJ. We design and produce high quality children's furniture that meets the US Safety Standards. Our innovative configurations utilize space in the most efficient way. Each design provides a fun, creative, and functional environment for your growing child.
