# Barnyard Bessie

What child doesn't love visiting a farm to see the animals? With Barnyard Bessie, let your child learn all about farm animals and their sounds! This lightweight, colorful farm friend will keep children smiling and learning at the same time. Put Barnyard Bessie into play mode one and let your child press any of the six colorful button to hear one of six farm animal sounds. Switch to play mode 2 and hear one of six children's melodies when each button is pressed. All the buttons flash. Barnyard Bessie also has a built in auto shut-off. Requires two "AA" batteries each. Recommended for children eighteen months and up.
