

Early Learning

# Safari Elephant

Kids will love learning safari sounds and feel like they are in the jungle with Safari Sam. This fun creature has two play modes. In mode one, simply press any of the colorful buttons and learn a new safari animal sound. In mode two, when the buttons are pressed, they play favorite nursery classics. The buttons flash when pressed, Safari Sam has a built in auto shut-off to conserve battery power. Learning about animals has never been so fun! Requires two "AA" batteries. Recommended for ages eighteen months and up.

**Item #803592**
