Warranty Limited Lifetime Warranty on Jacuzzi® Branded Baths for the Comfort, and Luxury, Collections

WARRANTY COVERAGE

Jacuzzi Luxury Bath (the "Company") offers the following expressed limited lifetime warranty to the original purchaser of any Jacuzzi Luxury Bath products provided in the Company's Comfort and Luxury collections ("Bath") who purchases the Bath for personal or single family residential use ("User"): The Company will repair or replace, at its sole option, the Bath or its equipment in accordance with the following terms and conditions. This warranty does not apply to non-branded Bath products manufactured by the Company.

LIFETIME WARRANTY ON BATHS

The Company extends to the User of the Bath a non-transferable limited lifetime warranty that the shell will maintain its structural integrity and configuration and be free of water loss due to a defect in the bathtub shell. This warranty covers only the bathtub shell and the manufacturer installed pump, jets, controls, and blower against defects in material or workmanship. This warranty does not apply to any display models or to any options or accessories which are covered under our limited ninety (90) day warranty set forth below. Warranty coverage begins on the date the unit was originally purchased by the User and upon receipt by the Company of a completely filled out Warranty Registration Card as described below.

2 YEAR LABOR WARRANTY FOR ALL FACTORY INSTALLED COMPONENTS

Our limited labor warranty is for a period of two (2) years from the date the unit was originally purchased by the User, but not more than three (3) years from date of manufacture. All factory installed components (e.g., pump, motor, blower, and plumbing) are covered under our labor warranty against failure due to defect in materials and workmanship.

NINETY DAY (PARTS ONLY) LIMITED WARRANTY ON OPTIONS AND ACCESSORIES

Our limited warranty on options and accessories is for ninety (90) days for parts only. Our warranty covers options and accessories manufactured (e.g., drains fill spout kits, trim kits, skirts, video monitors, plasma television screens, CD and MP3 players and other music and video devices and optional heaters) against defects in material or workmanship. Warranty coverage begins on the date the option or accessory was originally purchased by the User. These items may be covered by a manufacturer's warranty which may have a longer duration than this limited warranty. Please confirm with the manufacturer the duration of the appropriate warranty for Options and Accessories.

WARRANTY LIMITATIONS

Our limited warranty does not cover defects, damage, or failure caused by the common carrier, installer, user, or other persons, pets, or rodents, or resulting from, without limitation, any of the following: careless handling (lifting unit by plumbing, abrading finish, etc.) including its own negligence; modification of any type for any reason (including modification to meet local codes); improper installation (including installation not in accordance with instructions and specifications provided with the unit); connections supplied by the installer of the equipment; improper voltage supply or unauthorized electrical modification; misuse; incorrect operation, or lack of proper routine maintenance; operation of the unit without specified minimum amount of water or at inappropriate water temperature; use of abrasive or improper cleaners; or acts of God, such as lightning, floods, earthquakes, etc.

In addition, THE COMPANY WILL NOT BE RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES or losses arising from any cause (e.g., water damage to carpet, ceiling, tiles, marble, loss of use, etc.) including its own negligence; damages to, respecting, or resulting from: plated parts when pool and/or spa chemicals are used in the unit or hard water conditions; optional bath equipment not manufactured by the Company but supplied by Dealer, installer or the Company; the unit's prior usage as an operational display; or defects that should have been discovered before installation.

This limited warranty does not include: labor, transportation, or other costs incurred in the removal and/or reinstallation of the original unit and/or installation of a replacement unit; any costs relating to obtaining access for repair; or loss of use damage, including loss of sales, profit or business advantage of any kind under any circumstances. Bath units are excluded from any warranty coverage if any addition, deletion, or modification of any kind whatsoever has been made to the unit (or to any component). Warranty coverage is provided in the United States of America and Canada only.

EXCLUSION OF IMPLIED WARRANTIES

IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED TOGETHER OR TO THE FULLEST EXTENT ALLOWED BY LAW.

NOTICE: This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. There are no warranties applicable to Jacuzzi Luxury Bath products except as expressly stated herein or as implied by applicable state and federal laws. The Company will not be responsible for any statements or representations made in any form that go beyond, are broader than or are inconsistent with any authorized literature or specifications furnished by the Company. Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you.

In the event of a problem, the unit must not be installed. The Company is not responsible for failures or damage that could have been discovered, repaired, or avoided by proper inspection and testing (including proper water testing) prior to installation.

Damage occurring in transit is the responsibility of the carrier. The User or installer MUST open the crate and inspect the unit for damage when it is delivered. If damage is discovered, it must be reported immediately to the seller and the carrier in writing, and an inspection requested. The Distributor or Dealer is responsible for knowing local code requirements and notifying the installing contractor and/or User of these requirements at the time of purchase. The Company is not responsible for costs to modify any product to obtain any code approval, such as city, county, or state building codes in U.S.A. or municipal or provincial codes in Canada.
