BENEFITS:

- No Odors
- Long Lasting
- Pleasant Fragrance
- Quart or Gallon Sizes Available
- Hygienic
- Improves IAQ
- Cost Effective

The original Waterless™ urinal sealing liquid with a 18+ year track record. It can be added to **any** waterless urinal. No special cleaners to purchase! All commercially available cleaners may be used to clean the urinal without harming BlueSeal® in the trap. An economical alternative to costly cartridge/liquid packages. Freezing point is -60°F. Zero evaporation at 100°F. Saves winterization costs.

WATERLESS™.com

Unlike Any Other!

BlueSeal® Refill

One 3oz. refill will last approx. 1500 uses.

No Need to Refill Daily or to Remove Trap for Refill!

1. Screw the **PortionAid** onto a **BlueSeal®** quart bottle.

2. Squeeze bottle to measure out 3 oz. of **BlueSeal®** into **PortionAid**.

3. Pour **BlueSeal®** directly into trap insert or cartridge. Just Add It!

Works on all non-water using urinals!
