

FF7BI Series

33.25" x 23.63" x 23.5" (H x W x D)

Commercially approved built-in all-refrigerators with 24 inch widths, auto defrost, and a wide range of options

Highlights:

Flexible design for built-in or free-standing use

Available in a range of styles including white, black, and stainless steel

The industry's most trusted undercounter refrigerator for over 15 years

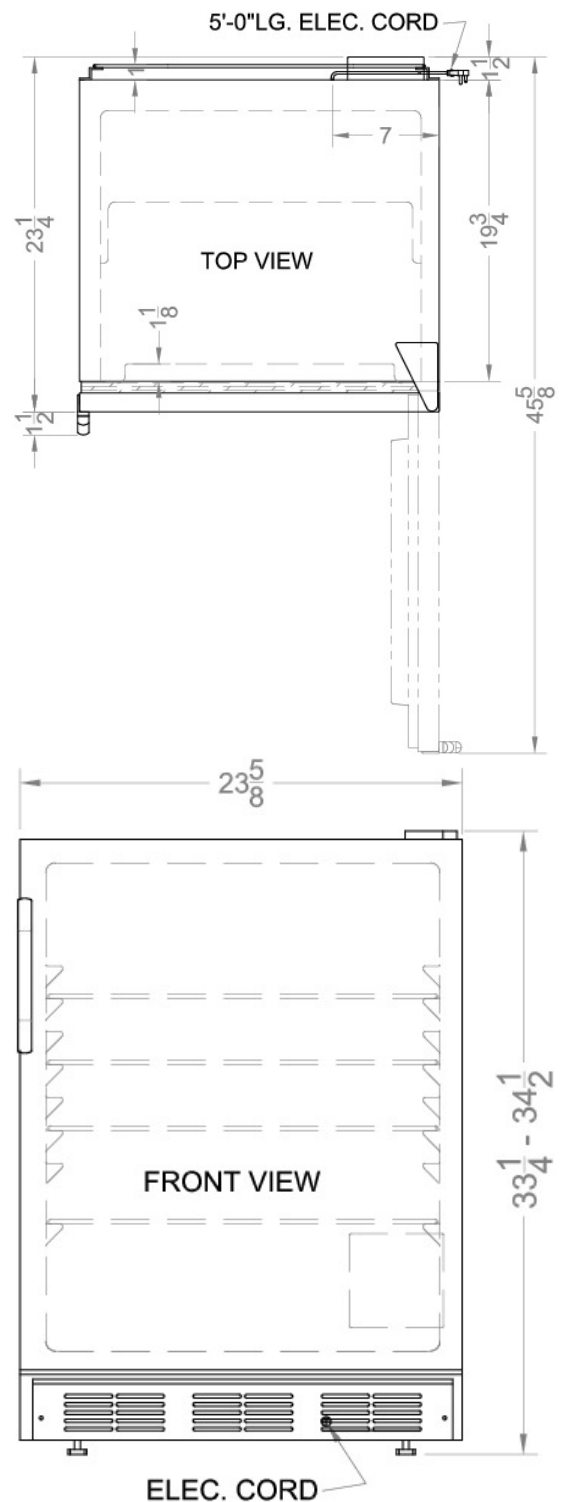

Add a factory-installed lock for maximum security

Automatic defrost	Simplify appliance care by letting your refrigerator defrost itself
Hidden evaporator	SUMMIT's original "hidden" evaporator is concealed in the wall so it never touches your fingers or your food
One piece interior liner	Enjoy easy clean-up with a seamless liner that won't hold a mess in hidden crevices
Built-in capable	Fan-forced cooling lets you make the best use of space by installing your refrigerator under the counter and flush with other cabinets
Fully finished cabinet	The versatile FF7BIs can operate as freestanding units
Adjustable shelves	Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up
Flat door liner	Lets the refrigerator accept deeper trays
Deep shelf space	Interior accommodates large trays up to 19 1/2" x 15 1/2"
Adjustable thermostat	Control your food's temperature with ease and accuracy
Interior light on rocker switch	Turn the light on when you need it and off when you're done with a convenient rocker switch located just behind the thermostat
