

C39 Series

35.5" x 39.38" x 23.63" (H x W x D)

39 inch wide All-In-One Combination Kitchens with two burners, a refrigerator-freezer, sink, and storage compartments

Highlights:

Two easy-to-clean cast iron burners with 110V operation

A refrigerator-freezer in your choice of automatic or manual defrost

Add a Space Saving Appliance Station that houses microwaves, coffee makers, and other small appliances

Electrical allocator box protects from circuit breaks

Two electric burners	Solid cast iron construction lets you boil and fry with no mess on no-spill surfaces
One piece stainless steel countertop	Easy to clean and built to last
Sink and faucet	Stainless steel sink comes ready to wash
110V Operation	Just plug in and cook
Storage compartment	Convenient cabinet with center shelf lets you store dry goods behind a door
Refrigerator-freezer included	Choose SUMMIT's FF41 for auto defrost or CM40 with manual defrost; both units feature adjustable shelves, adjustable thermostat, and door storage
100% CFC free	Environmentally friendly design without ozone-damaging chemicals
Ships fully assembled	Base model comes in one box. Just slide the refrigerator-freezer into its opening and plug in
Space Saving Appliance Station Option	Add a solid heavy-duty metal shelf system to hold a microwave, toaster, or any other small appliance; add APSW for white or APSS for stainless steel
Allocator box	APS models include electrical plug allocator to plug in the refrigerator plus two additional appliances while safely limiting overall power consumption to 10 amps
