

Wood skirts enclose the underside of the tub and provide a cost-effective, finished appearance. Two different constructions are offered:

- Natural hardwood skirts.
- Poplar / MDF skirts.

Natural Hardwood for Staining

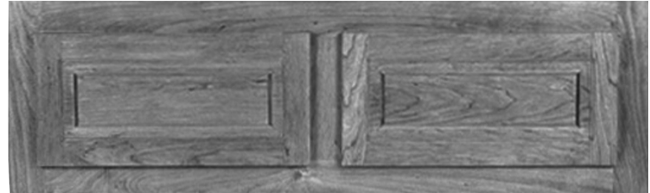

- For use with soakers, whirlpools or air baths.
- Rectangular skirts have 2 removable panels for pump or blower access.
- Corner skirts have all removable panels.
- Skirts are constructed of handcrafted natural hardwood.
- True raised panel construction.
- Available in unfinished Oak, Maple and Cherry.
- Skirts are shipped unfinished for staining.
- Custom sizes made to order for a minimal charge.
- Also available for oversized models and corner models.
- See p C-9 and C-10 for pricing.

For Finished Wood Bath Furniture see Section H

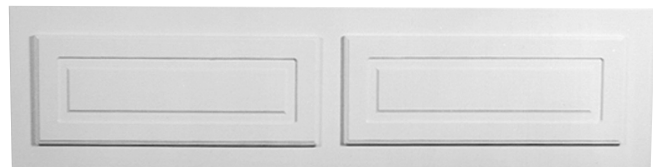

Paintable Poplar / MDF

- For use with soakers, whirlpools or air baths.
- Rectangular skirts have 2 removable panels for pump or blower access.
- Corner skirts have all removable panels.
- Skirts are constructed of a Poplar wood backing with MDF (medium density fiberboard) panels.
- Raised panel look.
- Skirts are shipped unfinished for painting.
- Priming the front of the skirt and BOTH SIDES of the removable panels is recommended before painting.
- Custom sizes made to order for a minimal charge.
- Also available for oversized models and corner models.
- See p C-9 and C-10 for pricing.

IMPORTANT: When ordering a wood skirt, MTI recommends that you order the Pre-Leveled Frame System. When ordered together, MTI will attach the skirt to the frame at the factory, thereby ensuring a proper fit.

Rectangular skirt of natural hardwood with true raised panel construction. Corner skirts in natural hardwood also available.

Rectangular skirt of Poplar / MDF with raised panel look construction.

Corner skirt of Poplar / MDF with raised panel look construction.

Skirting Sold with Tubs

- When ordering a wood skirt, MTI recommends that you order the Pre-Leveled Frame System. When ordered together, MTI will attach the skirt to the frame at the factory, thereby ensuring a proper fit.
- In addition to the sizes below, custom sizes are available. Please call MTI for details and pricing.
- **For pricing for wood skirts sold separately see p C-10.**

Skirting Sold Separately

- When ordering wood skirting sold separately, please provide MTI with the model number and equipment package of the tub so the skirt can be closely matched to the tub size. Or, you can provide the FINISHED OPENING dimensions, and MTI will match closely.
- In addition to the sizes below, custom sizes are available. Please call MTI for details and pricing.
- **For pricing for wood skirts sold with tubs see p C-9.**
