Rheem Electric Water Heaters

For over 75 years, Rheem has built a reputation by providing outstanding value to consumers. By continuously improving products, Rheem has met and exceeded the requirements of the marketplace for durability, performance and efficiency.

Families deserve the comfort and convenience of a reliable Rheem water heater. Rheem Water Heaters are built to give you dependable hot water service with energy efficient operation.

When selecting a water heater, choose the leader, choose Rheem.

The Secret to Long Tank Life! Patented R-Tech Anode Rods

- Prolongs the life of the water heater.
- Operates in a broad range of waters without the sensitivity to various water conditions.

Patented Lifeguard™ Elements

- Durable – high performance.
- Resistor for added protection to prolong anode rod and tank life.

EverKleen™ Self-Cleaning System

- Fights harmful sediment build-up with a high-velocity spiraling water stream.
- Helps operating efficiency – saving energy and money.
- Helps improve tank life.

Exclusive Rheemglas™ Porcelain Enamel Tank Lining

- Engineered for durability and long tank life.

High Energy Efficiency

- Rheem electric water heaters provide more hot water at lower operating cost.

Superior Construction

- **Temperature and pressure relief valve** factory supplied.
- **Energy saving heat traps** included in the water inlets and outlets.
- **Patented magnesium R-Tech® anode rod** design incorporates a special resistor that protects the tank from corrosion.
- **Heating elements** resistored for added protection.
- **Porcelain enamel tank lining** resist corrosion.
- **Rigid foam insulation** energy efficient.
- **EverKleen™ self-cleaning system** fights sediment build-up, reduces energy costs and provides more hot water.
- **Durable brass drain valve**

What size Rheem electric model do you need?

How many are in the family?	
How many bathtubs or showers?*	
Automatic dishwasher? (Mark 1 if yes)	
Washing machine? (Mark 1 if yes)	
TOTAL	

* Refers to standard capacity baths; spa, whirlpool or oversized baths may require a larger sized water heater.

IF TOTAL IS	YOU NEED
4 or less	40 gallon
5-6	50 gallon
7-8	65 gallon
9 or more	80 gallon or greater

PROFESSIONAL™

8-Year limited tank and parts warranty with a professional installation*

- Available in 40, 50, 65 and 80 gallon tall – 30 and 50 gallon medium – 30, 38 and 47 gallon short models
- Brass drain valve
- Stainless steel lower heating element
- EverKleen™ self cleaning device
- Premium grade anode rod
- Compliant with many electric utility incentive programs**

** Tall and medium models only.

FURY

6-Year limited tank and parts warranty*

- Available in 30, 40, 50, 65, 80 and 120 gallon tall – 30 and 50 gallon medium – 20, 30, 38 and 47 gallon short models
- Brass drain valve
- Anode rod equalizes aggressive water action

HE FURY HIGH EFFICIENCY MODELS FEATURE:

- High performance and lower operating cost
- Compliant with many electric utility incentive programs

MARATHON

Lifetime limited tank warranty and 6-year limited parts warranty*

- Available in 40, 50, 85 and 105 gallon tall – 50 gallon short models
- Seamless, blow-molded, polybutene tank – impervious to rust and corrosion
- Multiple layers of filament-wound fiberglass give the tank unmatched strength
- Polyurethane insulation helps reduce energy consumption
- The highest energy factors (EF) available!
- Tough molded polyethylene outer shell resists dents and scratches
- All plastic tank eliminates the need for an anode rod
- Factory installed vacuum relief valve

MARATHON POINT-OF-USE

Lifetime limited tank and 6-year limited parts warranty*

- Available in 15 and 20 gallon models
- Seamless, blow-molded, polybutene tank – impervious to rust and corrosion
- Polyurethane insulation helps reduce energy consumption
- Tough molded polyethylene outer shell resists dents and scratches
- Thermally fused element to protect tank against “dry-fire”; low watt, density for long life
- Water tight grommets keep out overhead moisture and condensation

TABLE TOP

6-Year limited tank and parts warranty*

- Available in 40 gallon model
- Brass drain valve
- 36" high top features a four inch high integral back splash
- High efficiency screw-in type heating elements
- Automatic thermostat keeps water at desired temperature

WARRIOR for manufactured housing

5-Year limited tank and 1-year limited parts warranty*

- Available in 20, 30, 40 and 50 gallon side connect model
- Lifeguard™ stainless steel element
- Cold water inlet brings cold water to tank bottom to prevent mixing with already heated water
- Anode rod equalizes aggressive water action
- Hot water outlet – side connect for easy access and fast, economic installation
- Design evaluated in accordance with Part 3280.707(d)(1) or (2) of HUD Mobile Home Construction and Safety Standards for Energy Efficiency

POINT-OF-USE

6-Year limited tank and parts warranty*

- Available in 2-1/2, 6, 10, 15, 20 and 30 gallon models
- Space-saving design for installation in limited spaces
- High efficiency heating element
- Patented R-Foam® insulation process for superior heat retention
- Temperature and pressure relief valve included

2-1/2 gallon model features:

- 120 volt model with 3 prong cord set...simply plug it in!
- 240 volt model includes a junction box for easy installation of 1/2" or 3/4" conduit
- Wall bracket for easy wall mount installations
- Corrosion resistant 1/4 turn drain valve

SOLARAIDE for solar applications

6-Year limited tank and parts warranty*

- Brass drain valve
- Choice of two models...storage tank or single element water heater, both specially equipped for installation with residential direct solar systems
- Special threaded stud located near the outlet for attachment of tank sensors
- Solaraide heat exchanger water heater and storage tank available in 80 and 120 gallon models

- Temperature and pressure relief valve is included with all models
- These Rheem water heaters meet or exceed the National Appliance Energy Conservation Act (NAECA) requirements

* Ask your dealer for complete warranty information.
