

EP-550™ SPORT Inversion Table

The most versatile of the Flex Technology™ Series, the Teeter Hang Ups® EP-550 Sport™ offers more than just back pain relief with additional features ideal for stretching and strengthening. EZ-Stretch™ Traction Handles, one of Teeter's most popular accessories, add decompression and movement options in partial inversion. And the included EZ-Up™ Gravity Boots, with super-soft foam surrounded by a flexible, highly durable shell, offer even greater comfort during fully inverted exercises. Work your core, leg and glutes on your Teeter inversion table or even at the gym*!

Choose Teeter for Back Pain Relief

Competitors have tried to mimic our best-selling products, but looks are where the similarities end. The real "Teeter Difference" is found in our premium components and innovative design born from 30 years of engineering evolution. Teeter inversion tables meet UL (Underwriters Laboratories) voluntary and stringent inversion table safety standards, and our inversion tables consistently outperform the competition in comparison testing for endurance, rotation control, and ease of assembly.

Built for the Benefits

Easily adjustable for your body type, comfortable to use and a breeze to fold and store, a Teeter inversion table fits into your life as perfectly as it fits your body. A 5-Year Full Warranty and a legacy of over 2 million Teeter users give you confidence that you're supported by the best in the business. Teeter Hang Ups® is fueled by the passion of one man who turned his own struggles with back pain into a life-changing solution for millions of people worldwide. Roger Teeter's inversion tables are truly built for the benefits, with a focus on features that help you achieve the ultimate in relaxation, comfort and a feel-good decompressive stretch. Trust Teeter for a *better back, better body*®.

Everything on the EP-550, PLUS...

- EZ-Up™ Gravity Boots provide the ultimate in ankle comfort with thick 5/8" foam liners, a flexible, highly durable DuPoint® Hytrel shell and self-locking ratchet buckles for a customizable fit
- Versatile Gravity Boots can be used with the EP-550, Teeter's Inversion & Chin-Up Rack or at the gym (*on an appropriately sized, weight-rated hanging bar)
- Optional assembly using the ankle lock system with Ergo-Embrace™ Supports, a pressure-reducing design evolved from years-long research to make our most comfortable ankle cups yet
- EZ-Stretch™ Traction Handles offer three uses in one, including added stretching and decompression options, easy oscillation assistance and a simple release option from full inversion

Customizable Comfort & Support

- Accommodates users between 4'8" - 6'6" (142 - 198 cm) and up to 300 lbs (136 kg)

- Flex Technology™ Bed with ergonomic shape and movable rib support system flexes with you to allow greater range of motion during stretching and exercise
- Smooth, durable and easy-to-clean bed surface reduces friction to optimize decompression and holds Teeter's popular Acupressure Nodes accessory (sold separately) for customized, pressure-point massage
- Adjustable Head Pillow can be moved or removed for your comfort needs
- Ergo-Embrace™ Supports with specialty foam and pressure-reducing design evolved from years-long research to make our most comfortable ankle cups yet

Reliable, Trustworthy Performance

- Unique and Patented Security Features like auto-locking hinges, cam locks, specialized pivot bearings and heat-treated steel parts ensure durability and reliability
- Adjustable Main Shaft features height-markings stamped into a triple-plated chrome finish
- Larger Medical-Grade Steel Base with scratch-resistant finish includes corner feet that increase the width by 20% and protect floors
- UL Listed Label demonstrates that Teeter Hang Ups Inversion Tables are independently certified to meet the toughest quality standards
- 5-Year Full Warranty

Easy to Use

- Ankle Comfort Dial foot platform dials up or down for a customized, secure fit
- Precision Balancing design provides smooth, controlled rotation with minimal effort and allows for secure lockout in full inversion for advanced exercises and stretching
- Pre-set Rotation Control with the adjustable tether allows you to easily pre-determine your maximum angle of inversion or remove for full inversion
- Folds for Storage in just a few seconds to 20" x 28.5" x 70" (50.8 x 73 x 177.8 cm)

Get Started in Minutes

- User Guides include a full-color glossy Owner's Manual attached to the product and Instructional DVD to guide you through assembly and use
- 5 Bonus Healthy Back Routines by Dr. Shawn on the Instructional DVD teach you how to wake up and warm up your spine, strengthen and stretch your core, improve your posture and incorporate stretching and exercise on your Teeter
