

## Better Back™ Lumbar Bridge

Teeter Hang Ups® offers the most customizable inversion table on the market. Experience even deeper decompression and improved alignment benefits by adding Teeter's Better Back™ Lumbar Bridge to your inversion table. Simply insert into the ComforTrak™ bed design near the small of your back to gain extra traction and support on the lower back.

- The Lumbar Bridge can be adjusted from a subtle, supportive curve to a more dramatic arch, depending on your desired effect
- Adjust the location easily along the ComforTrak™ bed
- Flexible plastic injection molding enhances body slide for deeper decompression and resists wear and tear
- Compatible with any of Teeter's ComforTrak™ bed designs and accommodates use with the Adjustable Acupressure Nodes (sold separately)
