ULTRABOOK TOTE - MEWHUT

## HERRINGBONE TABLET/ULTRABOOK TOTES

Padded, poly-fur lined pocket protects your iPad or Tablet.

Integrated workstation keeps your accessories organized

Stylish exterior with Koskin accents and polished nickel fittings

Tablet Tote #: MEWHTT

SRP: \$59.99

Ultrabook Tote #: MEWHUT

SRP: \$69.99

The Herringbone Ultrabook/Tablet Totes are a perfect combination of looks and features for any situation. These sleek totes are specifically designed for today's Ultrabooks and Tablets. They share the fashion-inspired styling of our larger totes but in a compact, convenient size.

The slim-line styling and rich Herringbone fabric gives these cases an attractive, sophisticated look and feel. There are separate, padded compartments for both your Ultrabook and your tablet, keeping them both secure and protected. The integrated workstation helps organize your compact accessories - keys, MP3 player, pens, USB Flash Drives, SD cards and more. The removable shoulder strap allows you to carry what your gear while keeping your hands free.

When you combine the great styling, laptop and tablet protection, organization features and user comfort, the new Herringbone Totes may be the perfect cases for today's woman on the go!
