

MUSTANG™

MV-STAT3

Mustang's MV-STAT3 is designed to be a versatile large format flat screen mount. The STAT3 provides lateral shift of the screen to compensate for off center wall studs. The STAT3 is also a low profile mount, allowing you the beauty of your flat screen hanging on your wall without having the mount itself becoming a focal point. The VESA compatible mounting brackets are easy to install and fit any panel that conforms to industry standards. Simple, this sturdy bracket there for years to come.

- Solid heavy-gauge steel construction & durable powder coated finish
