

Anatomic shape contours to neck and shoulders

Stabilizes and supports the neck at rest and sleep

Extensions over the shoulders support both sides of the neck easing trapezius muscle spasms

The IMAK[®] HappiNeck[®] offers the ultimate in neck comfort. It helps relax the neck muscles by stabilizing and supporting the neck and head. It gently contours to the neck and shoulders, offering support all around. The HappiNeck[®] can be used alone or in combination with a standard pillow for sleeping.
