

## Simply Ergonomic guarantees you the lowest prices with our 100% Price Match Guarantee!

Simply Ergonomic guarantees the lowest price on all Herman Miller chairs. If you find an item elsewhere (before or within 30 days of your purchase from Simply Ergonomic), you will be eligible for our "100% price match guarantee" program.

Here's how it works:

The item must be the identical product, including model, year, color, fabric, packaging, manufacturer, etc. The price you wish us to match must be verifiable (on a public Internet site, in a catalog, or in a newspaper advertisement). Simply Ergonomic will only match prices with other authorized vendors, and we cannot price match used chairs. In order to match a price, the competitor's shipping and handling charges and sales tax must be taken into account when we calculate the competitor's price. "Gift-with-purchase" offers cannot be considered in the price match calculation.

Example:

Simply Ergonomic price (including S&H): \$300.00  
Competitor Price (including S&H): \$250.00  
Difference: \$50.00  
Total Refund or Discount: \$50.00
