

# TECHNICAL DATA SHEET - Adjustable Height Video Cart

MODELS: JCT-P2854E, JCT-P2854CE

This Adjustable Height Video Cart is easy to assemble and move with its ergonomically designed, easy to grip handle. Its height adjustment option and optional locking cabinet makes this cart ideal for use and transportation of audiovisual equipment for various applications. The built-in, recessed three outlet electrical strip with cord management wrap provides this cart with greater maneuverability. Constructed from injection molded thermoplastic, this cart will not chip, warp, rust, crack, or peel. Its silent roll casters easily and quietly roll over various surfaces. This Adjustable Height Video Cart is ideal for use in schools, libraries, media centers, hotels, and offices.

#### Features:
