Electric Patio Bistro 240

Features and Benefits:

- When gas or charcoal grills aren't an option, TRU-Infrared brings outdoor grilling to your patio, deck or balcony.
- Heating food directly, TRU-Infrared promises juicer food and fewer flare-ups without hot or cold spots.
- Removable dial-control plugs into any common 120V power outlet and provides 1750 watts of power.
- 550 °F temperature gauge and durable porcelain finish
- 320 sq. in. cooking area on porcelain grilling grate and convenient warming rack
- Add real-wood chips or pellets directly on the grilling grate.
- Wheels for mobility and a towel bar for tools and accessories
