Notes

Install product according to the installation guide.

CAUTION: Risk of electric shock. Electrical wiring may need to be relocated.

IMPORTANT! For recess mounting, the wall cavity must be framed and cabinet secured to framing studs. Reroute any electrical wires or water supply piping from the wall cavity. If you encounter drain or vent piping, or if your wall is load-bearing, consult a professional before proceeding.

CAUTION: Risk of property damage. For surface mounting, use anchors (not provided) rated for the loaded weight of this product. Refer to the anchor manufacturer's instructions.

When determining the height of the cabinet, ensure the mirrored door will clear all obstacles (such as a faucet).

This cabinet is designed for either right or left door swing. Check for obstructions.
